Walk the Walls

EA's EdIS Programme are hosting an information session for School Leaders at Fermanagh House

Walk the Walls is a visual display of how the 21 projects under EdIS will unite to achieve the objectives of the Programme, to provide a dynamic digital environment to enhance education through effective use of technology.

We will provide an outline of the EdIS Programme, aiming to enhance your knowledge of what the Programme entails and further understand the benefits our projects will bring to children and young people and the wider education community. Schools will be updated on current progress and plans for the future.

Why should I get involved?

By getting involved you will play a vital role in helping shape the future of teaching and learning. It is recommended that all schools attend a session to understand how EdIS projects will impact schools going forward.

Session dates and times

Thursday 28th September 2023 Fermanagh House
1:30 - 4:30
